Welcome

Since 2001, Book Organizations of Colorado (BOOC) has been connecting Colorado's book community. Our member groups include nearly 30 nonprofit organizations whose activities support literacy, libraries, writing, publishing, selling or promoting books for the mutual benefit of members and the general public. See our Book News page for a listing of local events.

BOOC Supports Colorado Children's Book Week November 13-19

Colorado Children's Book Week encourages families and children in a love of reading and books. Children's Book Week, a celebration of the written word, introduces young people to authors and ideas and encourages families to share books with their children. We encourage authors, libraries, and schools to use Find An Author to make connections that will help bring books and authors to life for young readers.

Testimonials

Becky Clark Cornwell

Becky is that unique combination of the author who writes a good book and makes a good public presentation to groups of all ages. She's done fun and funny programs with teenagers at the parker library. I have personally attended several of her talks and always come away with a smile on my face and new bits of useful information.

—Patt Paul, Parker Library
